Refrigerated & Frozen Foods offers news focused on processing, packaging and distributing temperature-sensitive food and beverage products. [Sign up](#) to receive their eNewsletter or eMagazine or visit RefrigeratedFrozenFood.com to gain access to breaking news in the frozen foods market! **

RFA Mission Statement

To serve as the principal association for prepared refrigerated food companies

RFA Objectives

- Educate our members on technical aspects of manufacturing and distributing prepared refrigerated foods
- Develop and implement programs to address issues of common interest
- Provide opportunities for networking and collaborative relationships among our members and other entities
- Serve as a voice for the industry in matters pertaining to governmental policy
- Enhance and protect the overall image of prepared refrigerated food
